Hej Nordics!

Following the European Song Contest at Lady Godiva on Saturday the 14th of May,
it is already time to invite you for our next event!

Caves Ouvertes - Open Vineyards 2016

On Saturday 28th of May the Geneva vineyards open up their caves and invite us all inside to sample their fine wines. People participating in the outing past years still talk warmly about it, so let's see if we can create ...some new fond memories.

Practical details:

We will meet at 11:00 on platform 5 at Cornavin (behind the D-section on Platform 4-6). Members of the NC Board and organizers will be wearing the NC t-shirt (weather permitting) so they should be easily recognizable.

The train departs at 11:17 sharp. A normal TPG ticket for Geneva covers the transport. It might be advisable to buy a day pass (CHF 5.60 with demi-tariff). Return to Geneva at individual basis... Trains run every half hour.

This year we will visit again the numerous wineries in the Dardagny area.

Paid-up members will be given the mandatory wine glass for free!
If you are a member then bring your membership card.
If you are not a member then bring the membership fee of CHF 40 and we will get you signed up!

Looking forward to seeing you!
Yours as always,
The NC Board
