Servus Nordics!

Instead of the 1st Thursday afterwork drinks we are going to have an

Oktoberfest

on Friday 6 October 2017

at Lady Godiva Pub, Geneva-Plainpalais

Their annual party is always a blast, and there will be a **Happy Beer Hour** with free Pretzels & Bratwurst from 20:00 to 21:00 during which a 5dl glass of Spaten Bier (Munich) is a mere CHF 5,00!

We have booked a large table to make sure all of us can be comfortably seated. Free Jägermeister shots will be provided to those Nordics who come in traditional

Bavarian Oktoberfest outfits: **Dirndl & Lederhosen** (so please make an effort!).

We are looking forward to seeing you! To get an indication about the number of NC members to expect, could you please kindly register for the event on our Facebook page? Thx a lot!

Prost & yours as always,
The NC Board
