

**NORDICS
CLUB
GENEVA**

Hej Nordics!

For those who are not Rafting & Hiking with the NC in Chamonix, we have booked two tables for the public **Football World Cup 2018** screening on

Saturday 23 June 2018 at 19:00

at Clubhouse Bar - Plainpalais Fanzone

(next to the fanzone entrance on the Rond-Point-de-Plainpalais side)

Come support Sweden playing Germany and spend an exiting evening with us! Food & drinks are available at the Clubhouse Bar, or from one of the various bars around.

Security is rather strict, so you might want to come on time to avoid long queuing times.

So far the weather forecast looks good, however, in case of bad weather we will be watching the game at nearby Lady Godiva Pub (Boulevard du Pont d'Arve 53).

Looking forward to seeing you!

Yours as always,

The NC Board
