

**NORDICS
CLUB
GENEVA**

Hej Nordics!

We would like to invite you to celebrate Christmas with us at the

Christmas Market at Parc des Bastions **On Thursday 5.12.2019 from 18:00 onwards**

This second edition of the Geneva Christmas Market offers a wide selection of foods and drinks as well as artisanal stands where you can shop for Christmas presents for your friends and family.

A fabulous **carrousel**, an **ice field** and a **chalet especially for children** make the whole event very family friendly, so adults and kids are most welcome to join us that evening.

The meeting point will be inside the **Christmas Pub from 18:00 onwards** – just look for the Nordic flags!

Tervetuloa! ■ Välkommen! ■ Welcome!

Yours as always,

The NC Board
